

VOICES

Help us, help our youth!

We are in need of employers to join us on Wednesday May 10 from 4-6pm, for a Job Fair created for our young people. Ages range from 16-24, and they will be looking for any entry-level job or career opportunity that is available to them!

This is a great opportunity to gain young motivated employees for part-time, full-time, or summer jobs.

If interested in participating please contact Cecy @ (707) 208-7276 as soon as possible.

* Note to employers: If participating, we would appreciate if you brought your own table and additional information on positions available. Be prepared to answer questions and receive resumes from youth interested in applying.

A little bit about VOICES Youth Center-

VOICES is a non-profit organization that exists to serve young people with various services such as education, employment, health, wellness, independent living, and housing.
